

To All African Federations,

The Africa Amateur Golf Team Championship will be played at Dreamland Golf and Tennis Resort, Cairo, Egypt from September 27th to October 2nd 2009. It is an honor for Egypt to host an event that is considered the most significant in regional Team Golf.

It is with great pleasure that I invite all African countries to compete in this Championship. I believe strongly that with an excellent venue in a fascinating city, an experienced organizing committee, under the guidance of the African Golf Confederation, that we will present a memorable Championship.

As my organizing committee prepares for the Championships over the coming 6 months I know that many of you will be competing for a place in your National Team. I wish all of you the best of luck in that goal and that you earn the opportunity to represent your country in an event that we hope will receive record participation.

Dreamland Golf and Tennis Resort is a Championship facility featuring 27 holes with the event itself being staged over 4 days on the Championship course. This venue has played host to a number of high profile events including the Egyptian Open and Arab Championships in recent years. I am confident that you will enjoy the design, challenge, and condition of this magnificent course.

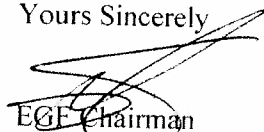

The Swiss Inn Pyramids Golf Resort, the official hotel for the event, overlooks the Championship course. The hotel offers a splendid combination of golf, culture and leisure and with the resort just a short drive from the Pyramids, players and supporters alike will have the opportunity to combine excellent hotel facilities with some "must do" sightseeing.

It is important also to acknowledge the support of The R&A. Their significant financial contribution to this Championship supports both the hosts and all African golf Unions and Federations in their attempt to finance such a trip and commitment. We look forward to welcoming the R&A representative that is sent to support and witness the Championship.

My organizing committee is an experienced one. I know they will ensure every aspect of the Championship is organized smoothly and professionally. Contact information for them is provided and please do not hesitate to contact them for any information or advice from now and throughout the Championship.

Again, I am extremely proud that Egypt will host this event, allowing all golfers in Egypt to witness the very best players in Africa compete to be Team Champions of Africa. I look forward to welcoming you all to Cairo.

Yours Sincerely

EGF Chairman
Mr. Ayman Hussein
